## **BFT and BCCE Have Moved as of August 6, 2012**

Effective August 7, the new location of the BFT and BCCE offices is 1432 University Avenue.

Our office is located in a small strip mall off of University Avenue. The entrance to our complex is on the south side of University Avenue, between Sacramento Street and Acton Street. To enter, turn into the driveway by the "Monte Cristo Taqueria" and proceed to the double doors at the end of that complex (the complex also includes a beauty salon and a dollar store). You must be headed east on University Avenue in order to turn into the driveway. There is parking available in front of the new office.

If the double doors are not propped open, please ring the doorbell to our office.

Currently, you cannot access our office from the old Andronico's parking lot (because that entire parking lot is fenced off).

BFT and BCCE will continue to share this new office.
