

Day of Action

to

Defend Public Education

Thursday, March 1

PLEASE JOIN BERKELEY TEACHERS, CLASSIFIED STAFF, PARENTS, STUDENTS AND ADMINISTRATORS AS WE TAKE A STAND IN DEFENSE OF PUBLIC EDUCATION.

We will protest cuts to California public schools, colleges and public services. We will declare that public education is fundamental right of all residents. This means increased funding. It's time for wealthy Californians (the 1%) to pay their fair share. Cuts are devastating our state, but progressive taxation that does not adversely affect the average Californian can provide the solution.

4:00 March with parents, students, teachers, classified staff, administrators and community members from your site to the 4:30 pm rally.*

4:30 Rally at BUSD administration building, 2134 Martin Luther King Jr., Way.
