

# Teachers Across Berkeley

## Contract Campaign 2014 Kick Off Tuesday, February 11th

Please join us in a Valentine's-themed reprise of "Teachers Across Berkeley" on Tuesday, February 11<sup>th</sup>! We'll walk in groups through Berkeley's main commercial areas updating merchants, citizens, and small business owners on our current negotiations. This action was a **big part** of how we won such a strong contract in 2012-13, so we're going to start off this year's campaign with this high-impact action.

***To make BUSD a world-class district, we must have world-class compensation for teachers and staff. Our working conditions are our students' learning conditions!***

This action will only take **1 hour** of your time after school on February 11<sup>th</sup>. We'll work in teams to thank Berkeley businesses for their support and to offer them a new placard for a new year. **Talk to your BFT Site Rep today to sign up!**
